What is the Bunny Hop?

The **Bunny Hop** is a game where 20 frames, (not 10), will determine the winner. Like a colorful Easter egg, each frame is filled with a different surprise; some that will help your score and others that may hurt it. Lucky for you, a mysterious basket was found that holds the clues to each frame (see back). So, “get hopping” and sign-up now for the **Bunny Hop 20-Frame Game**.

The Bunny Hop 20-Frame Game is a fun and challenging event.

Each **frame** of the **Bunny Hop 20-Frame Game** is filled with a different and challenging surprise. Here is a description of what you can expect:

Bunny Bonus -- Get a strike and receive 25 Bonus Pins.

No-Hop -- Knock down 9 pins on your first ball and it counts as a strike.

Rotten Egg -- You'd better get a strike, or lose 10 pins.

Rabbit Ears -- If you leave a split on your first ball it counts as a strike.

Cotton Tail -- If you don't like your first ball press the reset button and throw it again.

Lucky 7 -- Get a strike and receive 10 Bonus Pins. Get a 7-count on your first ball and receive 50 Bonus Pins.

17th Pain in the Grass -- Same as "Lucky 7" but if you don't do either (strike or 7-count), you lose 40 pins.

Rabbit Multiplier -- Receive a bonus of three-times your actual first ball pinfall. Example: Knock down seven pins on your first ball, receive a 21-pin bonus. There are also **No-tap Rabbit Multiplier frames**.

Super Rabbit Multiplier -- Same as the *Rabbit Multiplier* except the stakes are higher. Receive a bonus of ten-times your actual first ball pinfall.

Super Bonus -- Adults - Get three strikes in the 20th frame and receive 50 Bonus Pins.

Youth - Get one strike in the 20th frame and receive 50 Bonus Pins.
